Bears end Losing streak

By John Middlekauff

It's over, finally! That terribly long losing streak against Mid-Penn Division II opponents came to an end Friday night (10-19), as Northern defeated Lower Dauphin 7-0. Not since the season of 1987 when the Polar Bears defeated Palmyra, had Northern tasted victory against their Division II rivals.

How can we describe this one? "A win is a win?" How about, "It wasn't pretty, but it was a win?" In any case both are very true.

Northern got the only points of this game when Junior tailback Dave Habowski broke off his own right side, leaped over a would-be Lower Dauphin defender, and streaked 30 yards to pay-dirt. It had to be a very gratifying ball game for Dave. Not only did this talented Junior score the lone T.D., but he also rushed for 129 yards, played very solid linebacker on defense and averaged 43 yards while punting. Not a bad night's work!

This win was important, because it did prove that the Bear's can move the ball on the ground. They had to win this one, as their most consistent weapon, QB Phil Getty, had an off-night. Phil was only able to complete one pass out of twelve for fourteen yards. But as mentioned before, the ground game did come through for the game. Northern backs Habowski, Clark Fiehr and Kevin Leitzel rushed the ball 36 times for a total of 211 yards.

Northern's defense laid claim to its fair share of acclaim also. Exhibiting a bend, bend, bend, but never break brand of football, the Northern "D" shut down the Facon offensive when it had too. They had their work cut out for them, as L.D. Senior tailback rushed for 122 of his team's 169 yards on the ground.

It has to be somewhat amazing that Lower Dauphin did as well as they did. The Falcons were crushed by Red Land, Monday night in a re-scheduled game and then had to re-bound against the Bears four nights later. Unfortunately, it would seem that Lower Dauphin is destined to wind up in the Mid-Penn Division II cellar in 1990.

In this week's contest, Northern will head down to Palmyra to engage the Cougars on Friday night. Stated simply and plainly, it should be a win for Northern. The cougars are young, and they are small. Not so much size-wise, but in numbers. Palmyra did not have a big turn-out for football this year, only twenty-six. Palmyra, when healthy, does have one size up front but their most outstanding player thus far is Sophomore QB Jim Moons. Having been passed by Red Land the last time out, the Cougars will be looking to pick up the pieces. Northern should be more than equal to this task.

Bomb threat

Police evacuated Hardees Restaurant on Route 15 last week after someone phoned in saying there was a bomb in the building.

Dillsburg Police said a young male phoned in the bogus report last Thursday at 7:00 p.m.

Customers were evacuated as the restaurant was shut down for an hour and a half as police searched the building.

Theft

Dillsburg Police are investigating the theft of stereos, televisions, compact disc players and VCR's taken from recreational vehicles at Elroy's RV World, Route 15 South, Dillsburg.

Police Chief Glenn Smith said the thieves broke wing windows and doors to get into the RV's, then used crow bars to pry the items from consoles and dash units. Police set losses at around \$40,000.

Carroll Township also had 13 vehicles broken into in the Camp Ground Road area.

Vandalism

Five-hundred dollars worth of damage was done to the gazebo in Quay Park Saturday night. Police said someone melted candles and tore out 10-15 boards.

Small game season opens Saturday

Pennsylvania hunters will break a 54-year-old tradition later this month when they go afield in autumn's colorful splendor to pursue turkeys, rabbits, pheasants, quail and woodcock. It marks the first general small game and turkey season since 1936 that sportsmen may begin hunting before 9 a.m.

The change, approved by the Game Commission earlier this year, permits hunters to start taking game one-half hour before sunrise. The October 27 opener is one day shy of the annual fall return to standard time, so starts range from 6:51 a.m. in easternmost counties to 7:11 a.m. in the western section. Following Monday start times are 5:58 in the east and 6:18 in the west.

Band Booster highlights

Congratulations to the Northern High School Band and Color Guard for their first place performance on Saturday at Carlisle. How exciting - High Percussion and High Color Guard. Thank you for the tremendous cheering section. It was a great thrill to look over at the fans and see the crowd participation and admiration. Make sure you get tickets early for EOB Championships on November 3, 1990. Tickets are not for reserved seats, so get there early for the best seats. T-shirts and sweatshirts with the 1990 logo are available to purchase for the championships. Please call Mr. Riley if you are interested.

West Chester competition is Saturday, October 27. Tickets can be purchased from Mr. Riley. Hope to see you there.

A special "thank you" to the Middle School moms who came in and fit the band and guard for their performance. This is a big job, and they completed it without too many problems.

With the resignation of the instructor for the Middle School Guard Unit it did not seem that a unit would be able to be instructed for the upcoming performances. However, several members of the High School Guard Unit volunteered to help coordinate and instruct the some 48 girls and they will be ready to march on Friday.
